

# Websites PLUS for Manufacturers

- ✔ Customized for Your Company
- ✔ Up and Running Quickly
- ✔ Be Seen on Millions of Websites

## We **simplify** your manufacturing.

Would you like your website to look and function as great as Global Shop Solutions website? You can! We have partnered with our website designer, **Expert Internet Marketing**, to offer our manufacturing customers high-performance websites for manufacturers, along with a complete promotional package. It's more than a website, it is a complete promotional tool that actively keeps you in front of customers every single day.

- Includes Design & Development
- Includes Monthly Updates
- Includes Website Hosting
- Includes Copywriting
